SHOT_0 - AURORA DEATH

☆☆☆ DIFFICULTY | Runtime: 12 seconds | ESSENTIAL SHOT

COMPLETE PRIMARY PROMPT:

"Aerial view 5000 feet above frozen Westfjords Iceland 1908 at winter dawn, dying green aurora borealis ribbons at 557.7nm wavelength dissolving like watercolor bleeding into grey sky, camera slowly descending through fading aurora streams, through grey cloud layer at 2000 feet, emerging above frozen fjord showing 60% white ice coverage with black water channels cutting through, tiny black speck of turf house barely

visible below, high-altitude wind only, no modern elements, no aircraft, no bright aurora, no electric lights, no contemporary buildings"

ENVIRONMENT: COSMIC-AERIAL NEGATIVE PROMPT: See Universal Constants

RUNWAY SETTINGS:

- Mode: Text-to-Video Gen-3
- Camera Movement: Slow descent 0.5 intensity
- Duration: 10 second generation

FALLBACK PROMPT 1:

"High altitude view above frozen fjord 1908 Iceland at dawn, faint green glow in grey clouds, slow descent beginning, ice and dark water visible below"

FALLBACK PROMPT 2:

"Mountain peaks through clouds at dawn 1908, dim green light fading in sky"

CRITICAL: Establishes cosmic abandonment **GENIUS NOTE:** Opening with dying light mirrors the match cut we'll use later **SOUND:** High-altitude wind only

SHOT_1 - TEXT CARD

★ **DIFFICULTY** | **Runtime: 3 seconds**

COMPLETE PROMPT:

"Pure black screen with centered white Helvetica font text reading 'Day 13 - 77 days too early' in clean typography"

NO RUNWAY NEEDED - Title card **ALTERNATIVE TEXT:** "They will eat poison or starve"

SHOT_2 - SHARK MEAT CLOSE-UP

★★★★★ **DIFFICULTY** | **Runtime: 6 seconds** | **CRITICAL SHOT**

COMPLETE PRIMARY PROMPT:

"Extreme close-up of grey-pink fermented shark meat chunk hanging from dark hemp rope against pure black background, surface covered in crystalline white ammonia deposits like coarse salt, viscous clear liquid actively dripping from meat into rough wooden bowl below, single whale oil lamp positioned left creating

harsh raking light across texture showing every detail of decay, shallow depth of field f/1.4 with background completely black, meat texture gelatinous and translucent at edges, 1908 Iceland period, no appetizing colors, no fresh appearance, no modern elements"

ENVIRONMENT: Black background with practical lamp **NEGATIVE PROMPT:** "no fresh meat, no red meat, no appetizing appearance, no modern lighting" **RUNWAY SETTINGS:**

- Mode: Image-to-Video Gen-3
- Focus: Rack focus from crystals to drip
- Motion: 1.0 intensity on drip only

FALLBACK PROMPT 1:

"Close-up grey meat with white crystal crust hanging on rope, liquid dripping, dark background, harsh side lighting, 1908 setting"

CRITICAL: Establishes poison/time pressure **BUNDLE:** Can reuse meat for Shot 42

SHOT_2b - EMPTY CROSS RACK

☆☆ **DIFFICULTY** | **Runtime: 4 seconds**

COMPLETE PRIMARY PROMPT:

"Medium shot of empty wooden fish drying rack constructed in cross formation against dark turf wall with visible moss patches, no fish present, old spider webs between weathered grey slats with dust particles, single whale oil lamp beam from left creating dramatic shadows, dust motes floating in light beam, atmosphere of abandonment, 1908 Iceland, no modern materials"

ENVIRONMENT: BAÐSTOFA-DARK **NEGATIVE PROMPT:** Universal Constants
RUNWAY SETTINGS:

- Mode: Text-to-Video
- Motion: 0.5 (dust motes only)

MOTIF: Cross pattern #1 **PURPOSE:** Industrial depletion visual

SHOT_2c - COUNTING FAILURE

☆☆ **DIFFICULTY** | **Runtime: 4 seconds**

COMPLETE PRIMARY PROMPT:

"Extreme close-up of weathered male finger with dirt under nail touching carved V-shaped notches in dark wood wall, groups of five tally marks with some incorrectly crossed out, finger trembling slightly while counting, losing place and starting over, whale oil lamp light raking across wood grain from left showing deep shadows in carved marks, 1908 Iceland setting, no modern elements"

ENVIRONMENT: BAÐSTOFA-DARK (partial) **CHARACTER:** MAGNÚS hand only
RUNWAY SETTINGS:

- Mode: Image-to-Video
- Motion: 2.0 finger movement

MOTIF: V-notch #1, Mathematical breakdown #1

SHOT_3 - FAMILY UNDER POISON

☆☆☆ **DIFFICULTY** | **Runtime: 7 seconds** | **CRITICAL ESTABLISHING SHOT**

COMPLETE PRIMARY PROMPT:

"Low angle looking up at five faces in dark turf house - 55-year-old bearded Icelandic man center, 35-year-old woman with white faldbúningur headdress right, 16-year-old girl with wheat-blond braids left positioned far from man, 8-year-old boy with sandy hair and 5-year-old girl with cloth doll between, all gazing upward at hanging meat with mixture of hunger and revulsion, single whale oil lamp from below creating Rembrandt lighting with deep shadows above cheekbones, frost crystals visible on turf walls behind, 1908 Iceland, no smiling, no eye contact between them, no modern clothing"

ENVIRONMENT: BAÐSTOFA-DARK **ALL CHARACTERS:** STANDARD states
NEGATIVE PROMPT: Universal Constants + "no eye contact, no smiling" **RUNWAY SETTINGS:**

- Mode: Text-to-Video Gen-3
- Camera: Static low angle
- Duration: 10 seconds

FALLBACK PROMPT 1:

"Five people looking upward in dark 1908 turf house, dramatic bottom lighting, hungry expressions"

COMPOSITE PLAN: May need individual faces composited **CRITICAL:** Only time all watch same thing **SOUND:** Stomach growl at 5 seconds, distant trawler horn

SHOT_4 - LULLABY PROTECTION

☆☆☆ **DIFFICULTY** | **Runtime: 9 seconds**

COMPLETE PRIMARY PROMPT:

"Medium shot of 16-year-old Icelandic girl with wheat-blond braids in grey-brown patched dress sitting on wooden sleeping platform beside 5-year-old girl with tangled hair clutching cloth doll with brass button eyes, older girl's mouth moving in lullaby song, younger girl's eyes slowly closing, grey-pink shark meat visible hanging in background out of focus, whale oil lamp from right creating warm light on faces with shadows on wall behind, 1908 Iceland setting, no modern elements"

ENVIRONMENT: BAÐSTOFA-DARK **CHARACTERS:** SIGRID-STANDARD, LILJA-STANDARD **RUNWAY SETTINGS:**

- Mode: Image-to-Video Gen-3
- Motion: 1.5 gentle rocking
- Character Position: Sigrid left, Lilja right

SHOT_5 - FJORD WITH TRAWLER

☆☆☆ **DIFFICULTY** | **Runtime: 10 seconds**

COMPLETE PRIMARY PROMPT:

"Aerial view 2000 feet above frozen Westfjords fjord 1908, 60% white ice coverage with black water channels cutting through, British steam trawler with black coal smoke stack visible in distance moving through channel, tiny snow-covered turf house below almost invisible against white landscape, heavy snowfall reducing visibility, slow camera push toward house, no modern vessels, no electric lights"

ENVIRONMENT: COSMIC-AERIAL (lower altitude) **NEGATIVE PROMPT:** Universal Constants + "no modern ships, no diesel engines" **RUNWAY SETTINGS:**

- Mode: Text-to-Video Gen-3
- Camera Movement: Slow push 1.0

INDUSTRIAL PRESENCE: #1 **SOUND:** Trawler horn 70-90Hz building

SHOT_6 - HOUSE APPROACH

★★ **DIFFICULTY** | **Runtime: 8 seconds**

COMPLETE PRIMARY PROMPT:

"Aerial descending toward snow-covered Icelandic turf house built into hillside 1908, thin grey smoke from central smoke hole, overlapping sheep tracks in snow circling building in ritualistic patterns, heavy snowfall, dark wooden door visible as only break in white, no modern elements"

ENVIRONMENT: Exterior aerial **RUNWAY SETTINGS:**

- Mode: Text-to-Video
- Camera: Descending 2.0

FORESHADOWING: Sheep tracks preview transformation

SHOT_6b - REFLECTION DISTORTION

★★★ **DIFFICULTY** | **Runtime: 3 seconds**

COMPLETE PRIMARY PROMPT:

"Close-up of frozen window from interior, 55-year-old Icelandic man's bearded face reflected in ice crystals but distorted with too many features as if multiple faces overlapping, warm breath fogging glass then clearing to reveal distortion again, 1908 period, no modern elements"

ENVIRONMENT: BAÐSTOFA-DARK (partial) **CHARACTER:** MAGNÚS-STANDARD (distorted) **RUNWAY SETTINGS:**

- Mode: Image-to-Video
- Motion: 1.0 breath fogging

MOTIF: Mirror/doubling #1 **THREE LAYERS:** All present in distortion

SHOT_7 - SIGRID'S WITNESS

★★ **DIFFICULTY** | **Runtime: 6 seconds**

COMPLETE PRIMARY PROMPT:

"Extreme close-up of 16-year-old Icelandic girl's grey eyes looking up then slowly tracking left to right following movement off-screen, wheat-blond braid visible at frame edge, frost-covered turf wall blurred in background, whale oil lamp light creating dual catchlights in pupils, eyes never blinking during movement, 1908 period"

ENVIRONMENT: BAÐSTOFA-DARK (partial) **CHARACTER:** SIGRID-STANDARD (eyes only) **RUNWAY SETTINGS:**

- Mode: Image-to-Video Gen-3
- Motion: 1.5 eye movement only

SURVEILLANCE: Sigrid watching mother **BUNDLE WITH:** Shots 10, 15, 33, 45

SHOT_7b - WINDOW CROSS

☆☆ DIFFICULTY | Runtime: 3 seconds

COMPLETE PRIMARY PROMPT:

"Close-up of frosted window with natural cross pattern formed by ice crystals, dim grey morning light barely penetrating, child's breath fog appearing from below frame then dissipating, 1908 Iceland setting"

ENVIRONMENT: Interior window **RUNWAY SETTINGS:**

- Mode: Text-to-Video
- Motion: 1.0 breath fog

MOTIF: Cross #2 **SOUND:** Faint trawler horn through glass

SHOT_7c - HEREDITARY BREATH PATTERN (NEW - OPTIONAL)

☆☆☆ DIFFICULTY | Runtime: 4 seconds | GENIUS ADDITION

COMPLETE PRIMARY PROMPT:

"Extreme close-up of frozen breath crackling and crystallizing in extremely cold air inside turf house, breath vapor forming ice crystals that fall like tiny glass shards making distinctive tinkling sound, 1908 Iceland winter interior"

PURPOSE: Establish frozen breath sound for later sheep callback **CAN CUT IF:** Runtime issues **GENIUS NOTE:** When sheep appear, their breath will make same crackling

SHOT_8 - FAMILY HIERARCHY TABLE

☆☆☆☆ DIFFICULTY | Runtime: 11 seconds | CRITICAL SHOT

COMPLETE PRIMARY PROMPT:

"Wide shot of five people around rough wooden table in dark 1908 Icelandic turf house - 55-year-old bearded man at head position, 35-year-old woman with white faldbúningur headdress to his right, 16-year-old girl with blonde braids positioned furthest from man maintaining maximum distance, 8-year-old boy with sandy hair and 5-year-old girl with cloth doll between, each looking different direction avoiding eye contact, single whale oil lamp on table creating dramatic chiaroscuro lighting, empty table except for lamp, no food visible, frost on walls, breath visible, no modern elements, no eye contact between family members"

ENVIRONMENT: BAÐSTOFA-DARK (full) **ALL CHARACTERS:** STANDARD states **SURVEILLANCE WEB:** "Magnus at wall, Guðrún at hands, Sigrid watching Magnus peripherally, Jón watching mother, Lilja at meat" **RUNWAY SETTINGS:**

- Mode: Text-to-Video Gen-3
- Camera: Wide static
- Duration: 10 seconds

FALLBACK PROMPT 1:

"Family of five at dark table in 1908 turf house, dramatic shadows, avoiding eye contact"

COMPOSITE PLAN: Generate individuals, position in frame **BUNDLE WITH:** Shots 27, 42 **CRITICAL:** Establishes power dynamics

SHOT_8b - MAGNÚS COUNTING FAMILY

☆☆☆ **DIFFICULTY** | **Runtime: 5 seconds**

COMPLETE PRIMARY PROMPT:

"Close-up of 55-year-old Icelandic man's weathered finger pointing at each family member at table in sequence, counting on fingers of other hand, hesitating at fourth person, starting over, confusion building in visible portion of bearded face, 1908 period clothing, whale oil lamp light"

ENVIRONMENT: BAÐSTOFA-DARK (partial) **CHARACTER:** MAGNÚS-STANDARD **RUNWAY SETTINGS:**

- Mode: Image-to-Video
- Motion: 2.5 hand gestures

DIALOGUE: MAGNÚS: "Einn, tveir... þrír... fjórir... fimm... já, fimm" **MATHEMATICAL BREAKDOWN:** #2

SHOT_8c - PERFECT BLUE REALITY SLIP (NEW - GENIUS ADDITION)

★★★★★ **DIFFICULTY** | **Runtime: 5 seconds** | **OPTIONAL BUT POWERFUL**

COMPLETE PRIMARY PROMPT:

"Wide shot of family at table in 1908 turf house, camera static, family frozen mid-gesture, then in single frame they are five sheep in same positions wearing same clothes, then next frame back to human family, no transition, instant switch for exactly 3 frames at 24fps, then continue normal"

GENIUS NOTE: Plant transformation doubt early **TECHNICAL:** May need frame-by-frame composite **CAN CUT IF:** Too complex or confusing **PURPOSE:** Subconscious preparation for revelation

SHOT_9 - SECRET BREAD

★★★ **DIFFICULTY** | **Runtime: 6 seconds**

COMPLETE PRIMARY PROMPT:

"POV through horizontal wooden bed platform slats, 35-year-old Icelandic woman's hands in brown wool sleeves secretly placing small piece of dark bread into brown leather apron pocket, her white headdress visible as she turns to check behind, 16-year-old blonde girl visible in soft focus background watching both the hiding and the checking, 1908 interior, whale oil lamp light"

ENVIRONMENT: BAÐSTOFA-DARK **CHARACTERS:** GUÐRÚN-STANDARD, SIGRID visible background **RUNWAY SETTINGS:**

- Mode: Image-to-Video Gen-3
- Motion: 2.0 furtive movement

SURVEILLANCE: Guðrún hiding, Sigrid observing

SHOT_9b - CROSSED FIREWOOD

★ **DIFFICULTY** | **Runtime: 3 seconds**

COMPLETE PRIMARY PROMPT:

"Close-up of two birch logs crossed in X formation on stone hearth, dying orange embers glowing beneath, frost crystals on stones around hearth, thin smoke wisping upward, 1908 Iceland"

ENVIRONMENT: Interior hearth **RUNWAY SETTINGS:**

- Mode: Text-to-Video
- Motion: 0.5 smoke only

MOTIF: Cross #3, Doubling (two logs = two deaths)

-

SHOT_31 - COMPLEX TOUCH

☆☆☆☆ DIFFICULTY | Runtime: 12 seconds | CRITICAL SHOT

COMPLETE PRIMARY PROMPT:

"Close-up following weathered Icelandic man's hand reaching toward sleeping 5-year-old girl's head, pausing with tenderness, gently pulling wool blanket up to her chin, lingering lovingly for three seconds, then same hand moving toward teenage girl's sleeping area, fingers slightly curled with different intent, hovering predatorily, then pulling back into tight fist, 1908 period"

MOST COMPLEX EMOTIONAL BEAT RUNWAY SETTINGS:

- Mode: Image-to-Video Gen-3
- Motion: 2.0 complex sequence

COMPOSITE PLAN: Multiple takes edited **FALLBACK:** Just fist clenching **INCEST**
SUBPLOT: Predatory attention

SHOT_31c - THREE-LAYER ANCHOR

☆☆☆☆ DIFFICULTY | Runtime: 5 seconds | ESSENTIAL SHOT

COMPLETE PRIMARY PROMPT (Three separate generations):

Panel 1: "Extreme close-up of Icelandic man's weathered hand with real blood under fingernails, documentary lighting, 1908 period"

Panel 2: "Same hand casting shadow on wall that resembles hoof shape, impossible given light angle"

Panel 3: "Blood drops from hand forming perfect cross pattern on wooden surface"

COMPOSITE PLAN: Generate three, create triptych **THIS TEACHES THREE-LAYER READING FALLBACK:** Three quick cuts **CRITICAL:** Audience interpretation key

SHOT_32 - SENDING TO DEATH

☆☆☆ **DIFFICULTY** | **Runtime: 10 seconds**

COMPLETE PRIMARY PROMPT:

"Medium shot of 35-year-old Icelandic woman with white faldbúningur headdress picking up whale oil lamp from table, oil level visibly low showing bottom of reservoir, turning toward door without looking at anyone, resignation and doom in slumped posture, children visible watching from corner, 1908 period"

ENVIRONMENT: BAÐSTOFA-DARK **CHARACTER:** GUÐRÚN-STANDARD **RUNWAY SETTINGS:**

- Mode: Image-to-Video Gen-3
- Motion: 1.5 resigned movement

DIALOGUE: MAGNÚS: "Find seaweed. Don't return empty." **NO RESPONSE** - Silent acceptance

SHOT_32b - MATCH CUT SETUP (NEW - GENIUS ADDITION)

☆☆☆ **DIFFICULTY** | **Runtime: 3 seconds** | **ESSENTIAL**

COMPLETE PRIMARY PROMPT:

"Extreme close-up of whale oil lamp flame flickering and dying as Guðrún leaves, flame getting smaller, about to extinguish, filling entire frame with orange glow fading to darkness, 1908 period"

SETUP FOR MATCH CUT CRITICAL: Must fill frame completely

SHOT_32c - MATCH CUT PAYOFF (NEW - GENIUS ADDITION)

☆☆☆ DIFFICULTY | Runtime: 3 seconds | ESSENTIAL

COMPLETE PRIMARY PROMPT:

"Extreme close-up of British trawler's bright white electric searchlight sweeping past, filling entire frame with harsh modern light, same framing as dying flame, immediate cut from ancient fire to industrial electricity"

THE MATCH CUT: Ancient→Modern **GENIUS MOMENT:** Entire theme in one cut
CRITICAL: Must match framing exactly

SHOT_33 - WITNESS

☆☆☆ DIFFICULTY | Runtime: 5 seconds

COMPLETE PRIMARY PROMPT:

"Close-up of 16-year-old Icelandic girl's face at frosted window with cross pattern in ice, breath fogging glass as watching mother disappear outside, then eyes shifting to check father's position in room, fear and calculation in expression, 1908 period"

ENVIRONMENT: BAÐSTOFA-DARK (window) **CHARACTER:** SIGRID at window
RUNWAY SETTINGS:

- Mode: Image-to-Video
- Motion: 1.5 eye movement

MOTIF: Cross in ice **BUNDLE WITH:** Shots 7, 10, 15, 45

NIGHT JOURNEY: THRESHOLD CROSSING (6:45-8:15)

SHOT_34 - LIGHT IN VOID

☆☆☆ DIFFICULTY | Runtime: 10 seconds

COMPLETE PRIMARY PROMPT:

"Wide shot of single whale oil lamp creating small golden sphere of light moving through absolute darkness of blizzard, visibility exactly 3 feet, footprints behind filling instantly with snow, human figure just dark silhouette holding lamp, complete whiteout conditions, 1908 Iceland"

ENVIRONMENT: BLIZZARD-NIGHT RUNWAY SETTINGS:

- Mode: Text-to-Video Gen-3
- Camera: Wide, slow push 1.0

SOUND: Low humming begins

SHOT_34 ALT - BARRY LYNDON DARKNESS (ALTERNATIVE VERSION)

★★★★ **DIFFICULTY** | **Runtime: 10 seconds** | **OPTIONAL GENIUS**

COMPLETE PRIMARY PROMPT:

"Single whale oil lamp only light source in frame, darkness literally consuming 80% of image, golden light sphere shrinking as lamp oil depletes, figure holding lamp becoming silhouette, then shadow, then gone into black, no other light anywhere, true darkness, 1908 Iceland"

GENIUS NOTE: Darkness as character **USE IF:** Want more artistic approach

ENVIRONMENT: BADSTOFA-CANDLELIGHT

SHOT_34b - PHYSICAL LAYER

★★ **DIFFICULTY** | **Runtime: 4 seconds**

COMPLETE PRIMARY PROMPT:

"Extreme close-up of empty wooden bowl on table with deep fingernail scratch marks inside from desperate scraping for food, whale oil lamp light raking across scratches creating dramatic shadows, 1908 period"

THREE LAYERS: Physical - starvation **RUNWAY SETTINGS:**

- Mode: Text-to-Video

SHOT_34c - PSYCHOLOGICAL LAYER

★★★ **DIFFICULTY** | **Runtime: 4 seconds**

COMPLETE PRIMARY PROMPT:

"Close-up of 16-year-old Icelandic girl's face frozen in listening pose, confusion in grey eyes, head tilted hearing something with no visible source, wheat-blond braid still, mouth slightly open in concentration, 1908 period"

CHARACTER: SIGRID-**FEARFUL** **THREE LAYERS:** Psychological - perception breaking
RUNWAY SETTINGS:

- Mode: Image-to-Video
- Motion: 1.0 eyes only

SHOT_34d - SUPERNATURAL LAYER

★★★★★ **DIFFICULTY** | **Runtime: 4 seconds**

COMPLETE PRIMARY PROMPT:

"Close-up of turf wall where whale oil lamp shadow creates perfect ram horn spiral shapes, impossible given lamp position on table, shadows moving independently without lamp moving, defying physics, 1908 Iceland"

THREE LAYERS: Supernatural - physics breaking **COMPOSITE:** May need shadow work

SHOT_35 - SIGRID'S RITUAL

★★★★★ **DIFFICULTY** | **Runtime: 10 seconds**

COMPLETE PRIMARY PROMPT:

"Direct overhead shot of teenage Icelandic girl's pale hands arranging elaborate cross pattern of white cartilage pieces and grey wool on wooden table, more complex than mother's with inner and outer crosses, pricking finger with bone needle, blood drops spreading through wool, 1908 period"

CHARACTER: SIGRID hands **RUNWAY SETTINGS:**

- Mode: Image-to-Video Gen-3
- Motion: 1.5 careful ritual

NO DIALOGUE - desperate silence

SHOT_36 - INVOCATION

★★★★★ **DIFFICULTY** | **Runtime: 6 seconds**

COMPLETE PRIMARY PROMPT:

"Extreme close-up of 16-year-old Icelandic girl's mouth whispering over ritual arrangement, lips forming unfamiliar syllables, breath vapor visible in cold air, determination in visible lower face, sweat on upper lip despite cold, 1908 period"

CHARACTER: SIGRID mouth **RUNWAY SETTINGS:**

- Mode: Image-to-Video
- Motion: 1.0 mouth movement

NO DIALOGUE - silent invocation

SHOT_36b - BLOOD SEAL

☆☆ **DIFFICULTY** | **Runtime: 3 seconds**

SHOT_38 - RAM RECOGNITION

★★★★★ **DIFFICULTY** | **Runtime: 12 seconds**

COMPLETE PRIMARY PROMPT:

"Close-up of massive ram's head with thick curved yellow horns, black eyes reflecting orange lamp light too bright for animal like inner flame, piece of black seaweed tangled in white wool, coal-dark industrial rope strand visible wound through fleece, breath steam forming impossible spiral patterns, 1908 period"

RUNWAY SETTINGS:

- Mode: Text-to-Video Gen-3
- Camera: Slow push 1.0

INDUSTRIAL: Coal rope contamination

SHOT_38c - SILENT EXCHANGE

★★★★★ **DIFFICULTY** | **Runtime: 10 seconds** | **GENIUS MOMENT**

COMPLETE PRIMARY PROMPT:

"Two-shot of Icelandic woman with white headdress holding lamp facing massive ram, locked eye contact, wind suddenly stops completely for exactly 4 seconds with snow frozen mid-air like time stopped, woman slowly lowers lamp in submission, ram does not move or blink, 1908 period"

RUNWAY SETTINGS:

- Mode: Text-to-Video Gen-3
- Motion: 0.0 during wind stop

COMPOSITE: Freeze frame for stop **SOUND:** NO SOUND for 4 seconds **CRITICAL:** Wind stop moment

SHOT_38d - IMPOSSIBLE PROOF

★★★ **DIFFICULTY** | **Runtime: 2 seconds**

COMPLETE PRIMARY PROMPT:

"Extreme close-up in lamplight of human molar tooth, yellowed with metal filling visible, tangled deep in ram's white wool, focus pulling from tooth to wool then back, 1908 period"

RUNWAY SETTINGS:

- Mode: Image-to-Video
- Motion: 1.0 focus pull

Cut immediately after recognition

SHOT_39 - EAR MARK

★★ **DIFFICULTY** | **Runtime: 3 seconds**

COMPLETE PRIMARY PROMPT:

"Extreme close-up of ram's ear with precise V-shaped notch cut into edge matching wall marks exactly, ice crystals formed on ear edge, lamp light flickering across it, frozen blood visible on old cut, 1908 period"

MOTIF: V-notch #3 - identity confirmed

SHOT_40 - INDUSTRIAL TRACE

☆☆☆☆ **DIFFICULTY** | **Runtime: 3 seconds**

COMPLETE PRIMARY PROMPT:

"Extreme close-up of coal-black industrial rope strand wound through pure white wool, coal dust and machine oil staining surrounding fleece grey, modern contamination in ancient creature, 1908 period"

MOTIF: Black in white #2 **INDUSTRIAL:** Modern contaminating supernatural

SHOT_41 - FOLLOWING INTO VOID

☆☆☆☆ **DIFFICULTY** | **Runtime: 10 seconds**

COMPLETE PRIMARY PROMPT:

"Wide shot of Icelandic woman with white headdress following massive ram into blizzard darkness, whale oil lamp light shrinking to tiny point, their footprints immediately erased by wind and snow, both figures disappearing completely into black void, 1908 period"

★★★★★ **DIFFICULTY** | **Runtime: 10 seconds**

COMPLETE PRIMARY PROMPT:

"Medium shot of one medium-sized Icelandic sheep backing away from reaching man's hand, distressed bleating, positioning itself behind other sheep for protection, while other four sheep remain completely still and unafraid, clear behavioral difference, 1908 period"

RUNWAY SETTINGS:

- Mode: Image-to-Video Gen-3
- Motion: 2.0 fearful retreat

INCEST SUBPLOT: Only Sigrid-sheep fears **CRITICAL:** Behavioral difference

SHOT_55 - INDUSTRIAL WITNESS

★★★★★ **DIFFICULTY** | **Runtime: 12 seconds**

COMPLETE PRIMARY PROMPT:

"Wide shot of five Icelandic sheep on platforms with open door showing British steam trawler passing in distance with black smoke, trawler continues indifferent to tragedy inside, morning light creating silhouettes, 1908 period"

ENVIRONMENT: BAÐSTOFA-DAWN + open door **RUNWAY SETTINGS:**

- Mode: Text-to-Video Gen-3

INDUSTRIAL: Complete indifference **SOUND:** Trawler horn, sheep bleating

SHOT_56 - MAGNÚS BROKEN

★★★★★ **DIFFICULTY** | **Runtime: 12 seconds**

COMPLETE PRIMARY PROMPT:

"Close-up of 55-year-old Icelandic man's bearded face with tears streaming into grey beard, mouth trying to form words of lullaby but unable to remember, lips trembling, complete psychological collapse visible, snot running from nose, absolute broken humanity, 1908 period"

CHARACTER: MAGNÚS-BROKEN RUNWAY SETTINGS:

- Mode: Image-to-Video Gen-3
- Motion: 1.5 trembling

DIALOGUE: MAGNÚS humming: "Krummi svaf í..."

SHOT_57 - THE IMPOSSIBLE VOICE

★★★★★ DIFFICULTY | Runtime: 10 seconds | MOST DIFFICULT

COMPLETE PRIMARY PROMPT:

"Extreme close-up of Icelandic sheep's mouth opening slowly, pink tongue visible, throat muscles moving to produce bleat, then transformation of sound from animal to unmistakably human child's voice, 1908 period"

RUNWAY SETTINGS:

- Mode: Image-to-Video Gen-3
- Camera: Extreme close-up static
- Motion: 2.0 mouth opening

SOUND: Bleat→"Mamma?"→BLACK FALLBACK 1: Sheep with human eyes FALLBACK 2: Black screen with voice FALLBACK 3: Magnus reacting to voice CRITICAL: Reality breaks completely

SHOT_58 - THE BROKEN COUNT

★★★★★ DIFFICULTY | Runtime: 15 seconds | MATHEMATICAL HORROR

COMPLETE PRIMARY PROMPT:

"Medium shot of broken bearded Icelandic man among five sheep, pointing at each with trembling finger counting in Icelandic, losing count at five, counting again getting six, looking at own hands counting fingers finding wrong number there too, complete mathematical breakdown, reality's rules failing, 1908 period"

ENVIRONMENT: BAÐSTOFA-DAWN CHARACTER: MAGNÚS-BROKEN RUNWAY SETTINGS:

- Mode: Image-to-Video Gen-3
- Motion: 2.5 confused gestures

DIALOGUE: MAGNÚS: "Einn... tveir... þrír... fjórir... fimm... sex?" **CRITICAL:** Mathematical impossibility

SHOT_58a - BREATHING IN DARKNESS (NEW - GENIUS)

★★★★★ **DIFFICULTY** | **Runtime: 20 seconds** | **AUDIO HORROR**

COMPLETE PRIMARY PROMPT:

"Complete black screen, no visual"

AUDIO ONLY:

- 0-5 seconds: Five distinct breathing patterns
- 5-10 seconds: Patterns slowly synchronizing
- 10-15 seconds: Becoming one unified breath
- 15-19 seconds: Perfect synchronization
- 19-20 seconds: One breath breaks pattern (Sigrid)
- 20 seconds: Single sheep bleat

GENIUS NOTE: Pure audio terror **CRITICAL:** Complete darkness

SHOT_58b - COSMIC ABANDONMENT

★★★★★ **DIFFICULTY** | **Runtime: 12 seconds** | **FINAL SHOT**

COMPLETE PRIMARY PROMPT:

"Camera rising straight up through smoke hole in turf roof into grey dawn sky, 1908 Icelandic house shrinking below, five white sheep shapes and one dark human shape visible becoming specks, continuing to rise to 5000 feet altitude, frozen fjord visible, steam trawler smoke on horizon, complete cosmic indifference"

ENVIRONMENT: COSMIC-AERIAL RUNWAY SETTINGS:

- Mode: Text-to-Video Gen-3
- Camera: Steady rise 2.0

SOUND: Fading to complete silence **CRITICAL:** Return to cosmic scale

END OF ULTIMATE SHOT PRODUCTION GUIDE v6.0

The horror is not the sheep.

The horror is not knowing if there are sheep.

The horror is that both answers are true.
